

24th March 2015

Dear David and The Board of Trustees,

It is with disappointment that I resign in my role as Staff representative for the Board of Trustees from the 3rd July 2015.

As you are aware I will be taking maternity leave for term 3 and 4. Having resigned I hope that this will enable you to maintain a suitable replacement as the voice of the staff.

I want to thank you for your collaboration and support as a team. I have thoroughly enjoyed my time as part of the team. You are all such dynamic, innovative and passionate people. I have gained a great deal from working alongside you all.

Kind Regards

Ebony Maaka
