### **Title 22**

#### **Education**

#### **General and Administrative**

#### **Article 1**

#### **General Provisions**

##### **22-1-101. Schools defined.**

- (1) A public school is a school that derives its support, in whole or in part, from moneys raised by a general state, county, or district tax.
- (2) A charter school is a public school that operates pursuant to a charter contract entered into pursuant to the provisions of article 30.5 of this title. As used in this title, unless the context otherwise requires, "charter school" includes any type of charter school created pursuant to the provisions of article 30.5 of this title.

##### **22-1-102. Residence of child.**

- (1) Every public school shall be open for the admission of all children, between the ages of five and twenty-one years, residing in that district without the payment of tuition. The board of education shall have power to admit adults and children not residing in the district if it sees fit to do so and to fix the terms of such admission.
- (2) A child shall be deemed to reside in a school district if:
  - a. Both his or her parents, or the survivor of them, or the one of them with whom such child resides a majority of the time pursuant to an order of any court of competent jurisdiction resides in the school district;
  - b. The legally appointed guardian of his person resides in the school district;
  - c. After emancipation by his parents, or the survivor thereof, from their or his control, and he has no guardian, he lives within the school district;

  - e. The child has become permanently dependent for his maintenance and support on someone other than his nonresident parents, or upon any charitable organization, if the dependent child is actually to make his home and receive his support within the school district where he desires to attend;
  - f. If one of the child's parents or the guardian of his person is a public officer or employee living temporarily for the performance of his duties in a school district other than that of his residence. Unless the parents of a child are permanently separated, the residence of the husband shall be deemed to be the residence of the child, but, if the parents have permanently separated, the residence of the child shall be that of the parent with whom the child actually lives.
  - g. Regardless of the residence of the parents, if any, the child adopts a dwelling place within the district with the intent to remain there indefinitely and with the intent not to return to the dwelling place from which he came, and regularly eats or sleeps there, or both, during the entire school year as defined in section 22-1-112; but the child shall be deemed not to have the requisite intent if he regularly returns to another dwelling place during summer vacations or weekends;
  - h. The child is found to be homeless pursuant to the provisions of section 22-1-102.5 and the child presently seeks shelter or is located in the school district; except that a homeless child shall be deemed to reside in another school district if the child attended school in such school district at the time the child became homeless, the child remains homeless, the affected school districts find that attendance in such other school district is in the best interests of the child pursuant to section 22-33-103.5, and the child chooses to continue attendance in such other school district;
  - i. The child is found to have become homeless pursuant to the provisions of section 22-1-102.5 during a period that school is not in session, the child remains homeless, and the child presently seeks shelter or is located in the school district; except that the child shall be deemed to reside in another school district if the child attended school in such school district immediately prior to the time the child became homeless, the child remains homeless, the affected school districts find that attendance in such other school district is in the best interests of the child pursuant to section 22-33-103.5, and the child chooses to continue attendance in such other school district.
- (3) School districts shall follow the procedures specified in section 22-33-103.5 in determining where a homeless child shall attend school and the educational services provided to homeless children.

**15-14-105. Delegation of power by parent or guardian.** A parent or guardian of a minor or incapacitated person, by a power of attorney, may delegate to another person, for a period not exceeding twelve months, any power regarding care, custody, or property of the minor or ward, except the power to consent to marriage or adoption.
