Employment Development Agency & PEI Government Seasonal Jobs Registry

Note: Students must use the “Student Employment Application” only.

Background

The Registry is the Provincial Government's employment registration service for individuals who are seeking work with non-profit organizations, Island businesses and seasonal work with PEI Government departments.

Who Should Register?

Individuals who are seeking: seasonal employment with PEI Government departments; provincially funded, short-term, employment with projects sponsored by non-profit community organizations; and, full-time job opportunities with private sector businesses.

What Information Will I Need to Provide?

Basic information such as; name, address, telephone number and date of birth are required. Also, requested is a brief list of your work experience, education and special skills such as; typing, driver's license, computer knowledge and so on. If you have a resume, it can be attached to your application. Date of birth and gender is requested for statistical purposes and to determine eligibility for targeted employment programs funded by the Employment Development Agency.

What Happens to My Application after it Is Submitted?

The information is prepared for entry into a computer database and is held one full year from the date of application. When a job vacancy occurs the employer makes a referral request which outlines the minimum skill requirements such as; education, previous work experience, need for driver's license, and so on. This information is matched with those records held in the computer database. A list of eligible persons matching the job criteria is forwarded to the employer for consideration. Several referral lists may be necessary before any job interviews are held.

What Kind of Jobs Will I Be Considered For?

There are many short-term positions with businesses and non-profit organizations that are funded by Provincial job creation programs which require various types of workers such as; janitorial, labourers, grass cutting, etc. Seasonal hiring (10-20 weeks) with Government departments may include jobs such as: flagging for road work, general labourers, park workers, forestry workers, golf course workers, ski instructors, and so on. Whenever a referral request is received, all registered applicants are screened for the job requirements; however, only those that meet the employer's selection criteria are considered for an interview.

When Will I Hear the Results of My Application?

Applications are continually being received throughout the year and placements are made throughout the year. Your application will be kept for one year from the date of application. You will only be contacted if you are going to be interviewed for the position.
