Dear Kathryn,

Congratulations!!!

I am pleased to congratulate you and your team, for winning the 'Consistence Performance' award for the current year, consecutively for the 3rd year. On behalf of complete Bright Life Insurance, I would like to congratulate you for the great accomplishment.

Your team has been the leading performer, and has achieved best rankings for customer satisfaction and annual sales target. You have certainly set the benchmark for other teams to achieve. In recognition to your efforts, we have decided to reward your team with \$1000/- per person, for the current quarter. Your team has the option to redeem the same with equal values company shares, as we wish to retain the business profits within the organization.

I am sure, your team will continue to perform in same fashion, and raise the standards to new levels. Congratulating you and every member of your team once again for the efforts they have put in.

Sincerely,

(Signature)
